STATEMENT OF COMMITMENT TO STANDARDS IN FUNDRAISING PRACTICE

As a charity Autism Spectrum Disorder Initiatives (ASDI) is fully committed to achieving the standards contained within the Statement of Guiding Principles for Fundraising [Statement of Guiding Principles for Fundraising](#). We are now embarking on the Code of Governance Journey.

The Statement exists to:

- Improve fundraising practice.
- Promote high levels of accountability and transparency by organisations fundraising from the public.
- Provide clarity and assurances to donors and prospective donors about the organisations they support.

We at ASDI have considered the Statement and believe we meet the standards it sets out.
